

DENOUNCING CHARLES BUTT AND AFFILIATES

Whereas Charles Butt is a Democrat billionaire who has a long history of advocating for policies contrary to the Republican Party of Texas platform; and

Whereas Charles Butt has advocated against election integrity and supported universal and mail in ballots for all in Texas, which would have led to rampant voter fraud; and

Whereas, Charles Butt and his affiliated groups have lobbied against parents' God-given rights and against empowering parents to choose the education that is best for their children; and

Whereas, Charles Butt and or his company, H-E-B have lobbied for amnesty to illegal immigrants and against banning sanctuary cities for illegal immigrants; and

Whereas, Charles Butt, as owner of H-E-B, is one of the largest recipients of food stamps in Texas; and

Whereas, Charles Butt, through his business, H-E-B, has sponsored drag queen shows for children; and

Whereas, Charles Butt, through his affiliate political action committees and organizations has actively campaigned and donated millions of dollars against conservatives that want a secure border in Republican Primary election; and

Whereas, Charles Butt has partnered with taxpayer-funded lobbying organization, HillCo Partners, to support Republican Primary Candidates that oppose the Republican Party of Texas Platform and Priorities; now therefore

Be it resolved that we call on all Republican Party candidates and elected officials to denounce and reject any endorsement, campaign contribution, or association with Charles Butt, his affiliated PACs and organizations, including Raise Your Hand Texas and the Charles Butt Public Education PAC, and his taxpayer-funded lobbying partners, HillCo Partners.
